GENERAL STATEMENT OF RESPONSIBILITIES

Under general supervision, this position is responsible for the day-to-day operations of the 911 Communications Division. Provides dispatch and other communication support services for situations involving police, fire, emergency medical and other city public safety responders. Reports to the Communications Manager, 911.

ESSENTIAL JOB FUNCTIONS

Oversees the day-to-day operations, activities, and personnel on an assigned shift to ensure compliance of established guidelines, procedures, and policies; ensures appropriate staffing levels are maintained; creates seating assignment rosters; prepares and conducts line-up briefings to maintain awareness of relevant events.

Responsible for the effective supervision and administration to include staff development and training, performance management, employee relations, prioritizing and assigning work and related activities and approving and monitoring leave requests. Advises staff on difficult issues and makes decisions on exceptional situations to manage and implement appropriate services and assistance.

Ensures the operational readiness of equipment related to the 911 emergency telephone system, user and affiliated agency radio systems, and the department’s computer aided dispatch system (CAD). Makes minor repairs to communication systems, analyzes problems and makes referrals to appropriate sources of service; and prepares information subpoenaed for court.

Assists dispatchers with difficult and complex calls and dispatches; serves as the technical expert over complaint-taking and dispatching operations; conducts quality assurance reviews of calls and dispatches; and operates a telephone and radio console to respond to a variety of emergency and non-emergency services and complaints when needed.

Queries, enters, modifies, and clears information in local, state, and national computerized databases such as the Virginia Crime Information Network (VCIN), National Crime Information Center (NCIC) and the Department of Motor Vehicles (DMV) pertaining to arrest warrants, driver record/history, stolen property, other similar data and transmits relevant information to field units.

Assists with the division’s administrative responsibilities to include gathering data for statistical analysis; creating and reviewing policies and procedures; and assists with the completion of strategic management plan goals and compliance with the Commission on Accreditation for Law Enforcement Agencies (CALEA) accreditation standards and processes for communications.

Performs other duties as assigned.
PERFORMANCE STANDARD

Employees at all levels are expected to effectively work together to meet the needs of the community and the organization through work behaviors demonstrating the City’s Values. Employees are also expected to lead by example and demonstrate the highest level of ethics.
