CONDITIONS AND INSTRUCTIONS
Rev: 08/03/2012

1. All bids shall be submitted on and in accordance with this form. If more space is required to furnish a description of the goods and/or services bid, or delivery terms, the bidder may attach a letter hereto that will be made a part of the bid. In case of conflict, the bid may be considered non-responsive. The City’s published specifications shall supersede any additional writings submitted with the bid. Such writings shall be clearly marked and noted on the exception page.

2. All bids shall be submitted sealed, plainly marked showing the bid number, date and time. The entire solicitation document is to be returned when submitting a bid, unless otherwise directed by the bid document. Failure to return all pages may result in a determination that the submittal is non-responsive.

3. Bids and amendments thereto, if received by the Purchasing Department after the date and time specified for bid opening, will not be considered. It will be the responsibility of the bidder to see that their bid is received by the Purchasing Department as specified. There will be no exceptions. Date of postmark will not be considered. Telephone, facsimile, electronic and verbal bids will not be accepted. Prices or changes shown on the outside of an envelope will not be considered in determination of low bid.

4. If City Hall is closed for business at the time scheduled for bid opening, for whatever reasons, sealed bids will be accepted and opened on the next business day of the City, at the originally scheduled hour.

5. Receipt of your bid by the City is not to be construed as an award or an order to ship.

6. Each bid is received with the understanding that the acceptance in writing by the City of the bidder to furnish any or all of the goods and/or services described therein, shall constitute a contract between the bidder and the City, which shall bind the bidder to furnish and deliver the goods and/or services quoted at the prices stated and in accordance with the conditions of the accepted bid; and the City on its part to order from such bidder, except for causes beyond reasonable control; and pay for, at the agreed prices, all goods and/or services specified and delivered.

7. Bidders have the right to request withdrawal of their bids from consideration due to error by giving notice not later than two business days after bids are publicly opened. Work papers showing evidence of error(s) may be required.

8. If issued, addenda to this solicitation will be posted on the Purchasing Department’s website (www.nngov.com/purchasing). It is the bidder’s responsibility to check the website or contact the Purchasing Department prior to the submittal deadline to ensure that the bidder has a complete, up-to-date package.

9. The solicitation document maintained by the Purchasing Department, in the bid file folder, shall be considered the official copy. In the case of any inconsistency between bid documents submitted to the City, but not clearly listed on the exception page of the document as an exception by the bidder, the language of the official copy shall prevail. Furthermore, any exception or changes to the specifications made by the bidder may be cause to disqualify your bid.

10. Award will be made to the lowest responsive and responsible bidder. The quality of the goods and/or services to be supplied, their conformity with the specifications, their suitability to the requirements, the delivery terms, qualifications and references will be taken into consideration in making an award. Length of time for delivery as well as price may be considered in awarding the bid.

Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted; except that if the bid from the lowest responsible bidder exceeds available funds, the purchasing director may negotiate with the apparent low bidder to obtain a contract price within available funds.

Upon making an award, or giving notice of intent to award, the City will place appropriate notice on the public bulletin board located outside of the Purchasing Department at City Hall. Notice of award may also appear on the Purchasing Website: www.nngov.com/purchasing or www.demandstar.com.

11. The City reserves the right to reject any and all bids, and to waive any informality if it is determined to be in the best interest of the City.
12. If authorized by the bidder(s), the resultant contract(s) may be extended to any jurisdiction within the Commonwealth of Virginia to purchase at contract prices in accordance with contract terms. Any jurisdiction using such contracts shall place its own order(s) directly with the successful contractor(s). The City of Newport News acts only as the contracting agent and is not responsible for placement of orders, payment or discrepancies of the participating jurisdictions. It is the contractor's responsibility to notify the jurisdictions of the availability of contract(s). Bidders not desiring to sell to other jurisdictions under this clause shall so indicate in their response.

13. Prices shall be stated in units of quantity specified. No additional charges shall be passed on to the City, including any applicable taxes, delivery, or surcharges. Prices quoted shall be the final cost to the City.

17. Samples, when requested, must be furnished free of expense, and upon request, if not destroyed, will be returned at the bidder's risk and expense.

18. Unless qualified by the provision "NO SUBSTITUTE", the use of the name of the manufacturer, brand make or catalog designation in specifying an item does not restrict bidders to the manufacturer, brand, make or catalog designation identification. This is used simply to indicate the character, quality and/or performance equivalence of the goods and/or services desired. The goods and/or services on which bids are submitted must be of such character, quality and/or performance equivalence that it will serve as that specified. In submitting bids on goods and/or services other than as specified, bidder shall furnish complete data and identification with respect to the alternate goods and/or services that they propose to furnish.

Consideration will be given to bids submitted on alternate goods to the extent that such action is deemed to serve the best interests of the City. If the bidder does not indicate that the goods and/or services he proposes to furnish is other than specified, it will be construed to mean that the bidder proposes to furnish the exact goods and/or services described.

19. Any equipment delivered must be standard new and unused equipment, latest model, except as otherwise specifically stated in the bid. Where any part or the normal accessories of equipment is not described, it shall be understood that all the equipment and accessories that are usually provided in the manufacturer's stock model shall be furnished.

20. The apparent silence of these specifications and any supplemental specifications as to any detail or the omission from the specifications of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and correct type, size and design are to be used. All interpretations of these specifications shall be made on the basis of this statement.

21. All bids must be signed by a responsible officer or employee having the authority to sign the form. The bidder agrees that its contract performance shall be in strict conformance with the contract documents.

22. By signing this bid, the bidder assigns to the City any and all rights that it may have under the antitrust laws of the United States and the Commonwealth of Virginia in any way arising from or pertaining to this bid. 23. The bidder certifies by signing this Invitation for Bid that this bid is made without prior understanding, agreement, or accord with any other person or firm submitting a bid for the same goods and/or services and that this bid is in all respects bona fide, fair, and not the result of any act of fraud or collusion with another person or firm engaged in the same line of business or commerce. This paragraph shall survive the termination of the contract including any renewal or extension thereof.

25. The contractor agrees to defend and save the City, its agents, officials, and employees, harmless from liability of any nature or kind, for use of any copyright, composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, or which the contractor is not the patentee, assignee, or licensee, to the same extent as provided in the above paragraph.

The City may, in its discretion, provide the contractor an opportunity to cure the default, if curable, prior to termination. Unless a different duration is provided in the notice of default, or agreed upon by the parties in writing, the contractor shall have fourteen (14) calendar days to cure the default from the date such notice is mailed to the contractor unless notification is by facsimile or personal delivery, in which case the opportunity to cure shall commence upon delivery of the notice. 47. **The Conditions and Instructions in this solicitation are intended to apply to the resulting contract and shall supersede any conflicting terms offered. Any additional conditions a bidder intends to be considered must be submitted with the bid as an exception. Such exceptions may result in a finding that the submittal is ‘non-responsive’ to the bid, negating possibility of an award to that bidder. Contractual documents submitted by the successful firm after an award will not be accepted.**

48. **Failure of the contractor to perform the contract by reason of the City’s non-acceptance of additional conditions submitted after the award shall result in termination of the contract by the City, and may result in debarment of the contractor for a period of up to three (3) years. 50. **Rights and Remedies Not Waived:** In no event shall the making by the City of any payment to the contractor, or the waiver by the City of any provision under this contract including any obligation of the contractor, constitute or be construed as a waiver by the City of any other provision, obligation, breach of covenant, or any default which may exist under this contract on the part of the contractor, and the making of any such payment by the City while any such breach or default exists shall not impair or prejudice any rights or remedies available to the City.

51. **Independent Contractor:** The contractor and any employees, agents, or other persons or entities acting on behalf of the contractor shall act in an independent capacity and not as officers, employees, or agents of the City.

52. **Scheduling and Delays:** The parties to any contract resultant of this solicitation acknowledge that all or part of the work to be performed hereunder may be delayed and extended at the option of the City. Such delays may be caused by delays, denials and modifications of the various state or federal permits, or for other reasons. The City shall not be required to pay any of the Contractor’s direct or indirect costs, or claims for compensation, extended overhead, or other damage or consequential damages arising out of or related to any delays or interruptions required or ordered by the City. If the City delays the project for any reason for a continuous period of ninety (90) days or more, the City and Contractor will negotiate a mutually agreeable adjustment to the Contractor’s award amount. **Notwithstanding the above, in construction contracts, to the extent that an unreasonable delay is caused by the acts or omissions of the City due to causes within the City’s control, the above waiver or release shall not apply.**

GENERAL:

The City of Newport News Department of Libraries and Information Services is seeking a responsible and responsive bidder to perform Low Moisture Carpet Cleaning Services at its Grissom Library location. Contractor shall provide all labor, equipment, material, supplies and supervision. This solicitation is a single request for services on one specific project.

Required Carpet Cleaning Method:

Low moisture encapsulation (Defined as): Low moisture encapsulation is done with a random orbital machine with fiber pads followed by a microfiber or terrycloth bonnet. A solvent is applied with the fiber pad along with a polymer. The solvent releases the soil and stains and when the solution dries any remaining soil is bonded to the polymer which becomes brittle and vacuums away - eliminating allergens and other debris from the carpet.

The result is carpet that is usually completely dry within an hour, can be walked on immediately, stains are gone and do not leech back to the surface, and the pile is raised again. The carpet actually repels soil and can be maintained at about 92% of its original condition.

2. Contractor shall not use materials and equipment owned by the City.

5. Contractor shall be responsible for all materials delivered and work performed until completion and acceptance of the entire work.

To Whom It May Concern:

Re: Notice of cancellation requirements for insurance coverage

Dear Sir or Madam:

In the wake of revisions to the ACORD form, I have been receiving documentation from insurers that indicates that, since a statement regarding notice of cancellation is no longer included on the form, that the company cannot give any such assurance in the future. Some companies have indicated that they intend to strictly rely on the disclaimers in the form.

Please note that the City requires that it be added as an additional insured by specific endorsements. A simple notation of these endorsements on the ACORD form will not be accepted. Also, any additional insured endorsement will be rejected if it includes an exclusion of completed operations coverage.

Further the City will not accept proof of insurance that fails to provide for thirty (30) days notice of policy cancellation [ten (10) days for those situations detailed in Va. Code § 38.2-2114].

This assurance may be provided by one of the following two methods:

1. A separate endorsement specifying the notice as required, or

2. A copy of a policy provision regarding such notice.

In addition, this same assurance must be given when the City requires an Alternate Employer endorsement. No alternate employer endorsement will be accepted that includes a provision that the statutory employer will receive no notice of cancellation. A form including this provision appears to be contrary to Virginia Code § 65.2-804(B), which requires thirty (30) days notice of cancellation [ten (10) days for those situations detailed in Va. Code § 38.2-2114]. Virginia Code § 65.2-800 requires that an employer be insured, and paragraph C of that section equates an employer and a
statutory employer for the purposes of that duty.

In summary, the City will accept no proof of insurance that does not include in one of the forms indicated above an assurance that the City will receive thirty(30) days notice of cancellation [ten (10) days for those situations detailed in Va. Code § 38.2-2114]. Also, any qualification of this assurance with language that purports to avoid liability for failure to provide such notice will not be accepted.

Failure to provide the required items could result in rejection of your insured’s bid or offer to provide services to the City, or a rejection of the insured’s request for City permits that require the City to be named as an additional insured.

Additional coverage may be necessary as set out in the contract documents.

Very Truly Yours,

/s/ Joseph M. DuRant

Deputy City Attorney
